D&M Pre-Finish Services

(Limited 1 Year Warranty)

D&M Industries, Inc. (D&M) provides a limited warranty on prefinishing services provided or contracted by D&M to the original owner for one year from the invoice date if proper installation, care, and maintenance guidelines are followed. Warranties are non-transferable.

This warranty covers defects in finishing, material, and workmanship that may unreasonably affect a finish's performance, including, but not limited to, the following:

- Cracking
- Peeling and/or checking
- Chalking and/or blushing

This Warranty Does Not Cover:

- Bleaching
- Color variation due to wood graining
- Discoloration due to:
 - Yellowing
 - Fading
 - Environmental conditions
- Manufacturer or field finished doors or frames
- Painting of exterior wood frames
- Damaged caused by attempted repair of finish
- Damage caused by other or by any cause beyond the control of D&M Industries, including normal wear and tear, misuse, fire, flood, storm, or other acts of nature.
- Finishing to doors hung in applications for which they were not intended (i.e., an interior door hung in an exterior application, etc.)

Dark colored stains will sometimes appear as blotchy; also, dark pigment paints and stains will fade over time, and dark colors may not be appropriate for certain applications due to excessive heat/sun exposure. This is not covered under this warranty.

The color of finished product will vary due to several characteristics inherent to wood, including wood color, species, solid vs. veneer product, grain pattern, and density.

This warranty is for the coating only and applies only if the coated product is used for the specific purpose for which it is intended.

Your exterior painted or stained product will require some simple, periodic maintenance to keep the finish in good condition and provide proper protection against environmental conditions. Regular finish maintenance is a requirement of this warranty.

D&M Industries maximum liability is the purchase price of the material and finish services; Removal and Installation costs are not covered by this warranty.
